StarVista LIVE

WELCOME TO THE FLOWER POWER CRUISE

Those of you that sailed with us before know how exciting and enjoyable it was. We shared something very special that will continue this year even bigger and better.

Everything was changing in the mid to late 60's... how we looked, how we dressed, how we felt and how we thought. Now it's your chance once again to relive that unbelievable era and so much of that fantastic music. The Flower Power Cruise is going to keep you feeling groovy as we all immerse ourselves in the music of the love generation.

We've got an incredible trip planned for you filled with over 50 musical performances and many fun events with the artists, like wine tasting and vow renewal, Q&As and game shows. All this great programming brings this magical era back to life. To help lead all of us into this musical journey is our celebrity cruise host, Micky Dolenz, The Monkees Lead Singer.

To complement this great music, we are providing some amazing presentations. Back by popular demand is Wade Lawrence, Museum Director and Senior Curator at The Museum at Bethel Woods. This year he will present two brand new topics: Summer of Love- The Birth of the Rock Festival and Love For Sale-The Commercialization of the Counterculture. And new this year! Scott Freiman, an internationally recognized expert on the music of the Beatles, will be conducting for us two very exciting presentations: "Deconstructing Sgt. Pepper" and "ROLL UP! Deconstructing Magical Mystery Tour". Part film, part concert, part lecture musicians and non-musicians, Beatles fanatics and casual listeners will all enjoy Mr. Freiman's presentation. You will never listen to the Beatles or any other music the same way again!

We know you will find the amenities, service and ambience of the Celebrity Summit a perfect fit with our festival at sea. The entire StarVista LIVE and Time Life team is onboard, including our service partners from Corporate Travel Service, to assist you with any hospitality and sales questions. Our hospitality desk is located in the Grand Foyer so stop by to say hello! Our sales reservationists are also here to assist you with reserving your cabin for the 2018 Flower Power Cruise, one of our other StarVista LIVE cruises and The Abbey Road on the River Festival, our first land based festival. Stop by Future Cruises on Deck 5 in the Emporium Shops area for assistance.

The team from StarVista LIVE and Time Life has a long history and passion for keeping the wonderful music and spirit of the '60s alive. We are honored that you have chosen to cruise with us and allow us to take you back to that special time and those wonderful memories of long hair, bell bottoms, peace signs, tie dye tee shirts and new attitudes. On behalf of the entire StarVista LIVE team, thank you for joining us. We look forward to celebrating the love generation on the high seas with you. We are all here to help you make this week one of the best vacations of your life.

ALAN RUBENS
Senior Vice President/Executive Producer
