(C) Sky Lounge, Deck 14

*Artists: Micky Dolenz of The Monkees*

Micky and his daughter Ami have collaborated on a new children's book. This will be the first public reading and signing for the book.

**About the Author**

Micky Dolenz has thrilled audiences for years—on the big screen and the little one, the stage, and the radio. Though best known for his portrayal of the drummer on *The Monkees*, Micky's storytelling began when he was twelve years old, when he submitted his first manuscript to *Boy's Life* magazine. It was rejected and it took him thirty years to get over it. Micky lives with his wife in Pennsylvania and Los Angeles.

Ami Dolenz is an accomplished artist, author, and actress who has appeared in more than fifty films and television shows over the course of her extensive entertainment career. After writing and illustrating her first children's book, *Harold and Agatha: The Mysterious Jewel*, Ami began collaborating with her father, Micky Dolenz, on *Lalu Toot-Toot*. She recently earned an advanced certificate in illustration from the Emily Carr University of Art + Design. Ami lives in Vancouver, Canada, with her husband, one cat, and a murder of crows.
